THE MEGAN MEIER FOUNDATION

In 2006, 13-year-old Megan Taylor Meier took her own life following a cruel cyberbullying hoax by an adult neighbor posing as a fictitious boy on MySpace. The Megan Meier Foundation was created to help prevent this from happening to others.

Each year, 13 million children like Megan are negatively affected by bullying and cyberbullying. The suicide rate of youth aged 10-24 has increased by 56% in the past 10 years. The Megan Meier Foundation provides vital programs that support struggling youth including educational presentations, leadership workshops, and counseling services serving over 611,000 people since its creation.

Play Fore! Megan is the organization's annual golf tournament and largest annual fundraising event. Support of the golf tournament allows the foundation to continue to serve the youth that need us the most and count on us to be there!

Our work is not possible without the generous support of the community, and we hope you will join us as a sponsor. Last year's event was a huge success and raised nearly \$50,000 to support our prevention and intervention programs, including free therapy for youth. **We hope that we can count on you to make this year's golf tournament one of our best yet!**

Our sponsors help us by supporting programs that help youth struggling with issues of bullying, cyberbullying, and thoughts of suicide. Thanks to people like you, the **Megan Meier Foundation provided over 1,200 units of free therapy to the youth in our community last year.**

The attached Sponsorship Opportunities provides a range of ways to participate!

I'd like to thank you in advance for your generosity - **your support will change lives!**

With Sincere Gratitude,

Jina Meier

Founder and Executive Director
